PREFACE

THE editor was resolved that the volume for 1932 should appear earlier in the year than has been the case with former volumes. The contributors very kindly sent in their lists early, and the material was within a week of being despatched to the printer, when illness unfortunately prevented the completion of the work until two months later—no earlier than usual. The editor will try to do better next year.

The editor has attempted this year, in response to requests, to include in the index the names of the writers of some of the more important reviews. She cannot hope to have included all the important ones. Otherwise there are no changes in the form of the *Bibliography*.

The editors' best thanks are due to the printers, and to the contributors, the list of whom is almost the same as last year's list: Dr L. Grootaers (Belgium); Professor V. Mathesius (Czechoslovakia); Herr Docent Torsten Dahl (Denmark); Professor U. Lindelöf (Finland); Professor A. Koszul (France); Miss Delp and Dr Egon Mühlbach (Germany); Dr R. W. Zandvoort (Holland); Professor G. N. Giordano-Orsini (Italy); Professor A. Trampe Bødtker (Norway); Señor D. Homero Serís (Spain); Professor Eilert Ekwall (Sweden); Miss K. M. Lea, Miss E. E. Lawrence, Miss J. E. Mann, Miss A. F. Serjeantson (Great Britain and Ireland).

The editors very much regret the fact that Miss Seaton has had to give up her work as a contributor to the *Bibliography*, which has owed much to her help for many years past.
